Timberlane Regional Middle School PTSA  
Membership Drive 2009-2010

Becoming a member of the TRMS PTSA is a great way for parents, teachers & students to support our school. Everyone benefits from the efforts of an active and productive PTSA!

**You, as a member will have an opportunity to:**

- \*Become part of a network: Participation in PTSA allows you to meet & get to know other parents, teachers & staff.
- \*Be informed: There's no better way to find out what's happening at TRMS!
- \*Volunteer: Put your skills, experience & time to use, for the benefit of all children at TRMS (including your own!)
- \*Set an example: By joining the TRMS PTSA, you're demonstrating that you place a high priority on the success of our school & its students.

TRMS PTSA welcomes new ideas & suggestions. For updates, information and contact information, please visit our webpage at [www.timberlanems.com](http://www.timberlanems.com) and click the PTSA/Volunteers tab.
